

UNION CODE - OVERVIEW

This union code list is based on the "Directory of National Unions and Employee Associations, 1971," and other available information. Each union has been assigned a 3-digit code number.

CODING SCHEME

100 - 399 - Unions affiliated with the AFL-CIO.

100 - Two or more AFL-CIO unions, including any organization such as Departments, with the exception of Organizing Councils listed in the Directory. Coded as "VARIOUS" on AA card.

101 - Directly Affiliated Unions of the AFL-CIO, formerly referred to by the AFL as "Federal Labor Unions" and by the CIO as "Local Industrial Unions."

102-399 - AFL-CIO national or international unions and organizing councils.

400-599 - Independent or unaffiliated unions.

400 - Two or more independent unions. Code as "VAR-IND" on AA card.

500 - Single firm independent unions, i.e., unions dealing with one company only.

401-499 and 501-599 - Independent unions having agreements with more than one employer or more than one State as listed in the Directory.

600 - Two or more unions with different affiliations, i.e., AFL-CIO and independent unions. Coded as "VAR-Aff" on AA card.

700-799 - Independent unions having agreements with more than one employer, but confined within a single state

700 - Independent unions, not covered by 701-799, having agreements with more than one employer, but confined within a single state.

701-799 - Independent unions having agreements with more than one employer, but confined within a single State.

800-899 - Organizations of Federal employees.

800 - Two or more Federal employee organizations.

801-827 -- Federal employee organizations

901-975 - Professional and State employee associations.
