Frequently Asked Questions (FAQ)

Record Group 330

Series: Records About Military Goods and Services Provided to Foreign Countries (MAP)

What information is in these records?

This series provides information about deliveries of material or services for participating countries. Materials include both arms transfer and the sale or transfer of military supplies. Services include military education of individuals from other countries both in United States and abroad. Information includes the material or services provided, the fiscal year and quarter of the transaction, recipient country, unit price of the material, total cost, method of funding, the unified command providing the material or service, and the unit within the agency responsible for the transaction.

Why were these records created?

The agency created and used these data for internal statistical studies and to report annually to the legislature.
