BISON INSTRUMENTS, INC. - "VERY LITTLE INTEREST"
I.P.S., INC. - "WE HAD ONLY ONE PERSON WHO INQUIRED OF THE PRODUCT - NEED TO HAVE MORE PEOPLE THROUGH THE AREA"
SEISMIC ENGINEERING CO. - "NO INTEREST SHOWN. DO NOT BELIEVE E/W TRADE SHOW WILL ATTRACT CUSTOMERS WE DEAL WITH - NOT IF OUTSIDE COUNTRY. BELIEVE EASTERN COUNTRY TRADE MUST BE THROUGH DIRECT CONTACT ONLY"
BOSTON INSULATED WIRE & CABLE CO. - "THE SHOW ITSELF WAS NOT WORTHWHILE, HOWEVER, IT DID GET US TO AUSTRIA WHERE WE WERE ABLE TO SPEAK TO COMPANIES THAT WE WERE INTERESTED IN DOING BUSINESS WITH"
DAEDALUS ENTERPRISES, INC. - "THERE WERE SO FEW VISITORS TO THIS SYMPOSIUM THAT NO FAIR EVALUATION CAN BE MADE. WE HAD HOPED TO MAKE CONTACT WITH REPRESENTATIVES FROM EASTERN BLOCK COUNTRIES, BUT ALMOST NONE ATTENDED EXCEPT A FEW EMBASSY PERSONNEL AT THE RECEPTION"
SEIS DATA, INC. - "NO PARTICIPANTS FROM BUYING COUNTRIES - BOOTH WAS WELL PREPARED - PERSONNEL HELPFUL"
EDO INTERNATIONAL - "VERY DISAPPOINTING. QUANTITY AND QUALITY ATTENDANCE ANTICIPATED NEVER MATERIALIZED. THE OBJECT LESSON TO BE DERIVED FROM THIS EXHIBITION AND SEMINAR IS THAT IT IS NOT PRACTICAL TO ORGANIZE AND OPERATE THIS TYPE SHOW IN A WESTERN EUROPEAN LOCATION ADDRESSED TO EASTERN EUROPEAN MARKETS".
BOLT ASSOCIATES, INC. - "ATTENDANCE POOR. TRADE CENTER STAFF COOPERATION EXCELLENT. PRODUCT MIS TOO DIVERSE FOR THIS FIELD. CHANCES TO ATTRACT MORE VISITORS WOULD BE BETTER IF THE PRODUCTS UNCLASSIFIED".

9. This was first exhibit in EWTC which had very low interest for Austrian market. It was therefore a clear test of EWTC as exhibit center for USSR and EE markets. Exhibit was promoted in USSR and EE countries and as with previous EWTC exhibits it did not draw a significant audience from that area. Three key Hungarian officials did attend and spoke to some of the exhibitors after viewing all exhibits. Interest shown in exhibit by EE country trade mission reps in Vienna, most of whom attended reception, was substantial and led Bolt Associates, Inc., exhibitor to say "we got three new countries as result of this reception" and "throw more receptions like that one and forget the exhibit". Exhibit was not suited to EWTC because exhibitors were not seeking representatives and although NTM in technical sense of term at least 5 of exhibitors were generally knowledgeable of East-West trade problems and could not really benefit from second purpose for EWTC exhibits which is to educate NTM companies about East-West trade. Exhibitors were offered access to information in EWTC files. All exhibitors were pleased with EWTC exhibit facilities and staff assistance rendered to them. Buchanan
